RAISE is a simple yet powerful word that defines Sairam's philosophy of always looking to do better, be better and raise higher and higher. RAISE is an acronym that gives each one of us at Sairam, direction, meaning and purpose. It instills an ambition and attitude that 'we can achieve whatever we set our minds to' and helps each one of us to improve as individuals and reach where we want to be in our lives.

RAISE is all about raising the aspirations of each and every individual. It is a shared common desire to rise, to succeed and create a better future for themselves, their families and the society at large.

Educational Organisations Management System

In 2003, ISO published ISO 9001:2000 guidelines for the education sector with the aim of helping – as the name implies – educational organizations in providing educational products and services. The guidelines were intended for educational organizations at all levels, providing all types of education, such as: elementary, medium or higher education. ISO 21001 is the successor of ISO 9001, the Quality Management Systems Standard, adopted for the education sector. Sairam has adopted the Educational Organisations Management System (EOMS) to improve the efficiency of our processes and student outcomes.

PRINCIPLES OF EOMS

1. Focus on learners and other beneficiaries

The primary focus of the EOMS is to meet learner and other beneficiary requirements and to exceed their expectations.

2. Visionary leadership

Visionary leadership is to engage all learners and other beneficiaries in creating, writing, and implementing the organization mission, vision and objectives.

3. Engagement of people

It is essential for the organization that all individuals involved are competent, empowered and engaged in delivering value.

4. Process approach

Consistent and predictable results are achieved more effectively and efficiently when activities are understood and managed as interrelated processes that function as a coherent system, including input and output.

5. Improvement

Successful organizations have an ongoing focus on improvement.

6. Evidence-based decisions

Decisions and curricula based on the analysis and evaluation of data and information are more likely to produce desired results.

7. Relationship management

For sustained success, organizations manage their relationships with interested parties, such as providers.

8. Social responsibility

Socially responsible organizations are sustainable and ensure long-term success.

9. Accessibility and equity

Successful organizations are inclusive, flexible, transparent and accountable, in order to address learners' individual and special needs, interests, abilities and backgrounds.

10. Ethical conduct in education

Ethical conduct relates to the ability of the organization to create an ethical professional environment where all interested parties are dealt with equitably, conflicts of interests are avoided, and activities are conducted for the benefit of the society.

11. Data security and protection

The organization creates an environment where all interested parties can interact with the educational organization in full confidence that they maintain control over the use of their own data, and that the educational organization will treat their data with appropriate care and confidentiality.

Imagine the Future and Make it happen!

Together let's build a better world where there is **NO POVERTY** and **ZERO HUNGER**.
We have **GOOD HEALTH AND WELL BEING** **QUALITY EDUCATION** and full **GENDER EQUALITY** everywhere.

There is **CLEAN WATER AND SANITATION** for everyone. **AFFORDABLE AND CLEAN ENERGY**
which will help to create **DECENT WORK AND ECONOMIC GROWTH**. Our prosperity shall be fuelled
by investments in **INDUSTRY, INNOVATION AND INFRASTRUCTURE** that will help us to
REDUCE INEQUALITIES by all means. We will live in **SUSTAINABLE CITIES AND COMMUNITIES**.
RESPONSIBLE CONSUMPTION AND PRODUCTION will help in healing our planet.

CLIMATE ACTION will reduce global warming and we will have abundant,
flourishing **LIFE BELOW WATER**, rich and diverse **LIFE ON LAND**.

We will enjoy **PEACE AND JUSTICE** through **STRONG INSTITUTIONS**
and will build long term **PARTNERSHIPS FOR THE GOALS**.

For the goals to be reached,
everyone needs to do their part:
governments, the private sector,

VISION 2025

PEOPLE + PROCESS + PURPOSE = SUCCESS

At Sairam, we realize that the higher education sector is under significant pressure to adapt to the changing needs of the future. Institutions need to become more operationally efficient and effective, improve student outcomes, increase access to higher education, recruit and retain top faculty and researchers, and more.

Effective transformation in these areas requires an organization-wide strategic approach that seeks to improve and enhance organizational models, operating processes, technology, leadership, and talent models. We have adopted a 3Ps model of aligning People, Process and Purpose with the vision of the organization.

பேரிடர் காலங்களில் ஏற்படும் இயற்கை சீற்றங்களில் ஏழை எளிய மக்கள் பாதிக்கப்படும் போது சாய்ராம் கல்விக் குழுமம் தன்னை முழுமையாக ஈடுபடுத்திக் கொண்டு தாராளமாக உதவிகளை வழங்கி வருகிறது. சென்னை மாநகரத்தில் பெருவெள்ளம் (வர்தா புயல், கஜா புயல்) ஏற்பட்டபோது இக்குழுமம் ஆற்றிய நிவாரணப் பணிகளை குறிப்பிட்டு பாராட்டலாம்.

மாவட்ட நிர்வாகத்தின் அழைப்பை ஏற்று, சென்ற வருடம் அத்திவரதர் வைபவத்தில் தினந்தோறும் 40,000 பக்தர்களுக்கு அன்னதானம் வழங்கிய பணியினை பெருமைப்படுத்தி, மாண்புமிகு தமிழக முதல்வர் அவர்கள் "பாராட்டு சான்றிதழ்" வழங்கியுள்ளார்.

அகில உலகையே அச்சுறுத்தி வரும் கொரோனா வைரஸ் பரவி வரும் சூழ்நிலையில் சாய்ராம் கல்விக் குழுமம் தமிழக அரசின் வழிகாட்டுதலுடன் கல்லூரி அருகாமையிலுள்ள 10க்கும் மேற்பட்ட கிராம மக்களின் துயர்துடைக்க ரூபாய்.72,00,000/- (ரூபாய் ஏழுபத்தி இரண்டு லட்சம்) மதிப்புள்ள (காய்கறிகள், மளிகைப் பொருட்கள், எண்ணெய் வகைகள்) பொருட்களை வழங்கி மக்களுக்கு சேவை செய்துள்ளது.

"சாய்ராம் கல்விக் குழுமம்" எக்காலத்திலும் கல்விச் சேவை மட்டுமல்லாது சமுதாயப் பணிகளையும் பரவலாக, தவறாமல், தொய்வின்றி ஆற்றி பெருமை சேர்த்திட வேண்டும் என்று சாய்ராம் கல்விக் குழுமத்தின் நிர்வாக தலைவர் திரு.சாய் பிரகாஷ் லியோ முத்து அவர்களை வாழ்த்தி பாராட்டுகிறேன்.
